Notice of bid letting:

Richland County and Bonpas Township Road District will accept sealed bids for the construction of a replacement bridge on E. Seminary Lane over Big Branch of Bonpas Creek. This project has been designated with Section Number 23-011310-00-BR. This project will include removal of the existing structure, tree removal, earth excavation, driving foundation piles, construction of concrete structures, placing precast prestressed concrete deck beams, bridge railing, approach roadway construction, placing rip rap, placing aggregate surface course, ect. Bidders must be prequalified with the Illinois Department of Transportation. All materials must come from an Illinois Department of Transportation approved source. The construction contract will be administered in accordance with the IDOT Standard Specifications for Road and Bridge Construction, adopted January 1, 2022. Plans, specifications, and proposal can be obtained from the Richland County Engineer by emailing a request to dcolwell@richlandcounty.illinois.gov or by calling 618-392-3141. Sealed bids must be returned to the office of the Richland County Engineer, 4334 N. Meridian Road, Olney, IL 62450 by 10:00 a.m. on Tuesday, December 1, 2026. At that time the bids will be publicly opened and read.
